UPDATE ON THE DISTRICT DEVELOPMENT MODEL (DDM)

- The Eastern Cape Province has established a DDM Nerve Centre made up of the three (3) Co-ordinating Departments, namely the Office of the Premier (OTP), CoGTA and Provincial Treasury (PT). The Eastern Cape Socio, Economic Consultative Council (ECSECC) provides secretariat support to lead, manage and monitor the One Plan processes.
- Districts and Metropolitan Municipalities led the development of the One Plans supported by ECSECC and a Multi-Disciplinary Content Support Team from the Coordinating Departments.
- National and Provincial Political Champions to oversee the institutionalization of the DDM in the District and Metro spaces.
- National and Provincial Technical Representatives to co-create and shape the content of the inter-sphere District and Metro One Plans as LG Planning Tools.
- There is a need to expedite the establishment of the District and Metro DDM Hubs to facilitate the development of One Plans.
